

Ericson Public Library

2019 Summer Reading Program

Name: _____

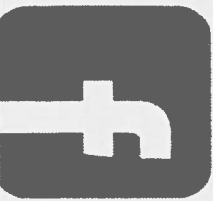

Program Information

Thank you for joining our summer reading program. This reading log is for infants through children entering 5th grade. Please set a daily reading goal and keep track of how many minutes you read each day. Please write your daily minutes read in each of the six boxes per week. Stop by when you complete a week to pick up your prize. You can redeem prizes you miss, but you can't redeem future prizes.

A Note About Train Ticket Prizes

Thanks to the *Boone and Scenic Valley Railroad*, we have train tickets as a summer reading prize. We are giving train tickets to **immediate family members only**. **You must bring your reading log to receive tickets. We will not hold tickets, and we will not take requests over the phone.** Thank you for your understanding.
